SEBINO SpA: ENGINEER WALTER VIGNANDEL WILL BECOME NEW DIRECTOR AND MANAGER OF THE GROUP WITH THE RESPONSIBILITY OF THE SERVICES AREA

Madone (BG), March 1, 2022 - Sebino S.p.A. ("Sebino" or "Company"), leading system integrator in fire prevention and security systems, informs that Eng. Walter Vignandel, 50, graduated in Mechanical Engineering from the University of Udine with subsequent specialization in Sales and Marketing Management at SDA Bocconi will join Sebino's organization. Eng. Vignandel has over 20 years of experience, mainly in the BtoB sector, coordinating projects for the integration, development and internationalization of commercial networks in medium and large companies.

Engineer Walter Vignandel will join the Sebino SpA Board of Directors as a Director, with appointment by the Shareholders' Meeting scheduled for April 27, and, from April 1, as a manager of Sebino SpA; Walter Vignandel will initially have the position of head of the Services area, currently concentrated in the subsidiary Sebino Service Srl, in which he will hold the position of Sole Director. He will also assume the position of Sole Director of the recently established subsidiary Sebino Security Srl, which will inherit the security systems division from the Parent Company.

Eng. Vignandel will also be responsible for coordinating the activities carried out by the subsidiaries with the activity carried out by the Parent Company with which they share the commercial strategies.

Gianluigi Mussinelli, Chief Executive Officer: *"We add to our organization the culture and experience gained by Walter Vignandel in the technical and commercial fields over the course of more than twenty years and at the same time strengthen the top organizational structure with his skills as an experienced manager. I am sure that it will be immediately appreciated by our collaborators, strengthening the development prospects of our company"*

Walter Vignandel: *"I thank the Shareholders and the Board of Directors for the trust they have placed in my person. I feel strongly motivated and ready to take up this new challenge with a great sense of responsibility. The development of technologically innovative products and the search for new services that put the customer at the center will be the main objective of my work, in the wake of what the Group has done in recent years."*
